TESTIMONIALS

“ERI brings together very qualified speakers. They organize a good conference with great facilities to provide a comfortable learning environment. I would not hesitate to attend an ERI course in the future”  -Susan McCartney , OT

“This is the third course I have taken with ERI. Once again, it was excellent, well presented and clinically relevant. The content was appropriate for all practice settings. I had many “light bulb” moments and am excited to put what I learned into practice. I will recommend ERI to all my colleagues.”  -Christina Ross

“It is so refreshing and stimulating to finally attend a course that benefits new and seasoned clinicians. This is the first course that I have taken in 13 years that has provided me with an abundance of clinical applications and realistic treatment ideas. Thank you ERI for providing a terrific learning opportunity with the perfect combination of clinical experience and commitment to research”  -Peter Njoroge , PT

CREDITS

Education Resources is a Texas Physical Therapy Association accredited provider for Texas PT CCU’s. An approved provider of continuing education by the American Occupational Therapy Association. NBCOT professional development provider Applications are made to ASHA

Physical Therapists and Physical Therapist Assistants Education Resources applies for continuing education approval, when available, in the state where the course is being presented and some- times in neighboring states where pre-approval is required.
